

## **Job Opening: Water Utility Accounting**

Job Description: Central Weld County Water District (CWCWD) is looking for an outgoing person to work in our front office. The right person will report directly to the Office Manager.

About CWCWD: CWCWD is a rural water District that supplies water to rural customers and several towns, approximately 50,000 people. Founded in 1965, our District serves the needs of area customers with all their potable water needs.

What it's Like to Work Here: Our team members share a positive attitude, problem solving abilities and patience, enabling them to provide excellent customer service even during fast-paced office hours. Our opportunities for growth and learning have resulted in an industry-low turnover rate. Don't miss out on this rare opening with us!

A Day in the Life as an Accounting Assistant: As the first person that customers engage with when entering the front office, you will help them with any requests that they have. With each transaction, you will need to ensure compliance with our policies, procedures and security requirements as well as government regulations.

Qualifications to be a Water Utility Accountant: Accounting degree or 5 years equivalent experience: Detail oriented  
\*Caring attitude \*All functions related to accounting duties  
\*Good communications skills \* Strong math skills \*Knowledge of core computer programs and aptitude for working with new systems and software. \$26/Hour to start. Salary and Benefits package effective after 90-day probation period if qualifications are met.

Ready to apply? If this job sounds like it's right for you, then please submit resume through our website at [www.cwcwd.com](http://www.cwcwd.com) on the Contact tab. Thank you.
